Ascot Gold Cup Has 21 Eligibles

Two Miles Offering Slated For Presentation Saturday May Exceed $13,000 Gross

(By Staff Correspondent)

ASCOT PARK, Cuyahoga Falls, Ohio, May 14.—George Bills Jr.'s Deadly Actor, Mrs. Laura L. Hamill's Entangler and Edward Klammer's Golden Lark lead a list of 21 routers named for the 18th running of the $10,000 added Ascot Gold Cup at two miles here Saturday. Virtually every top router in this section, including eight winners of qualifying races at the Akron course distance of 33 feet short of 1 5-16 miles, have been named for the Gold Cup which this year will gross upward of $13,000.

Racing secretary Charlese F. Henry will release his weights for the marathon test late this afternoon with the aforementioned trio expected to be within pounds of each other at the top of the list.

Returned From Wheeling to Win Prep

Entangler came back to Ascot after a short forray to Wheeling and won the Gold Cup Prep by a length and a quarter from Deadly Actor with Golden Lark a similar distance behind in third position. They all carried 119 on that occasion and at 2 miles should drop a few pounds from that race. With the Gold Cup field limited to 12 starters, the eight winners among the nominees must be considered in a special position as they have preference in the draw Friday.

Ray Loughlin's Reinspect and Mr. and Mrs. Pete Maxwell's Deceived, with three and two wins, respectively, over the Akron course, lead the nominees with preference. Crack Down, Entangler, Flaster, Chicatoo, Blimey, Clay Mouse, Ferman, Bless Me Too, Condor II., Lil's Flash and Court-Me-Too also have winner's preference in the race. Not all of these with preference will face starter Carroll Burns, however. The latest check of the racing secretary's office indicated a field of from nine to 12, depending upon the weights.

The complete list of nominees follow:

Bless Me Too
Blimey
Blue India
Caleo
Chicatoo
Clay Mouse
Condor II.
Court-Me-Too
Crack Down
Deadly Actor
Deceived
Entangler
Ferman
Flaster
Golden Lark
Lil's Flash
Manormouse

New Fire-Fighting and Police Operation at Washington Park

Professional Force, Modern Equipment and Alarm System To Many Close Communities

HOMEWOOD, Ill., May 14.—One of the most comprehensive security and fire-protection systems in throughbred racing will swing into action Monday when Balmoral Jockey Club opens its spring meeing at Washington Park.

The protective network for both stable area and public structures ranges from trained police dogs to a school for guards in the security division, and from walkie-talkie radio to aerial fire trucks in the fire-protection phase.

The new security system is being introduced under a plan created by Arlington Park-Washington Park executive director Benjamin F. Lindheimer, and Balmoral president Hubert E. Howard. At full strength it will produce the safest possible conditions for horsemen and their employes, for the thoroughbreds stabled at the Homewood course and for the several hundred residents who live at the track's 100-trailer court.

The fire department, long an efficient segment of the Arlington-Washington operation, has been completely organized on a 24-hour-a-day basis, with ten professional firemen on a three-shift stand, many recruited from the communities surrounding Washington Park.

Track Has Own Fire Equipment

The track itself is equipped with its own fire engines, including a high pressure unit and a combination high pressure and pumper vehicle. Both are of metropolitan fire-fighting standard. In addition, more than 300 fire extinguishers are strategically located throughout the barn and public areas, and numerous hose-carts are on-the-ready for any emergency.

The entire fire-protection system is now under the command and supervision of a community district fire marshal who has at his disposal equipment and additional manpower for adjoining communities.

The track's own fire department is in direct radio communication with fire departments in Harvey, Homewood, Flossmoor, Thornton, Hazelcrest, Riverdale, Dolton, South Holland, and Markham. If ever required, equipment can be rushed to Washington Park from any or all of these towns within minutes. Within minutes, a ladder-truck and a pumper can join the track equipment if necessary. Within ten minutes, the division marshal said, three aerial trucks and ten pumpers can go into action at the track.

Complete cooperation is being provided by Fire Chief Edward Mulder of the Harvey fire department and Chief Thomas White of Homewood. All chiefs of the community project also are cooperating.

In addition to the actual fire-fighting equipment, Washington Park has a novel and ingenious alarm system which is being widely copied. Every barn in the stable area has an emergency phone connected directly with the track switchboard. The operator then can immediately alert the track fire-department, issue a general alarm over the public address system and notify other fire departments via radio-telephone immediately.

Police security follows the same comprehensive pattern at Washington Park. Overall supervision is in the hands of Robert A. Frink, agent-in-charge of the Chicago office of the Thoroughbred Racing Protective Bureau. More than 50 police and guards will function around-the-clock to protect the entire Washington Park area.

Police and guards this year will go to school to learn their specialized jobs. They have been given intensive training already by stable superintendent Charles Connelly. As for equipment, Washington Park is among the best-equipped in the nation. The protective cops includes three police squad-cars, all radio-equipped, highspeed scooters, and the tw otrained police dogs. The same protective network will also be in effect when Arlington Park opens its 55-day stand on July 6.

Tomy Lee Again Tests Hollywood Park Strip

Kentucky Derby Hero Is Given Light Gallop to Keep in Trim

HOLLYWOOD PARK, Inglewood, Calif., May 14.—Kentucky Derby champion Tomy Lee tested the Hollywood Park strip for the second straight morning today, being galloped lightly, while two other Derby horses, Finnegan and Monk's Hood, worked as activity among the sophomores was heavy.

Trainer Frank Childs had exercise boy Hubie Trent merely gallop Tomy Lee, keeping him active while awaiting his next start.

Finnegan breezed a half-mile in :49⅘ and it was the first time the Neil McCarthy colt had been worked since returning from Kentucky. His stablemate, the Debonair Stakes winner Ole Fols, displayed fine speed in a 7 furlongs drill of 1:26⅖, the final furlong in :13⅘.

Another sophomore prepping for the $25,000 added Will Rogers Stakes on Memorial Day, Earl Stice and Sons' Monk's Hood, showed he was over the ailments which kept him out of the Kentucky Derby when he stepped three-quarters in 1:12, after an opening half in :46⅕. Milo Valenzuela was aboard.

Royal Living was given a stiff work by trainer Charley Whittingham. The Llangollen star went a mile in 1:40⅘. Swirling Abbey, getting ready for a return to action, went 6 furlongs in 1:13⅖ and stablemate Silky Sullivan, with jockey Don Pierce up, breezed 5 furlongs in 1:01⅖.

Also nearing a return to competition is Find, Alfred Vanderbilt's stakes star, who breezed three-quarters in 1:16⅗.

Under Mild Urging To Hold Ram Safe

French-Bred Coup de Canon Gives Improved Performance In Second American Outing

By PALMER HEAGERTY
Staff Correspondent

PIMLICO, Baltimore, Md., May 14.—Establishing a commanding advantage on the final turn and responding willingly to intermittent urging in the late stages, Phillip Williams' Tuscan Flash this afternoon accounted for Pimlico's featured Suburban Purse at 1 1-16 miles over the turf. In second position, beaten a length and a half, was Hellenic Stable's Ram, who was two and one-half lengths clear of Edward D. Smith's Coupe de Canon. Perne L. Grissom's Innishowen, 13-10 favorite with the crowd of 9,379, seemed unable to handle the soft footing and finished fifth in the field of seven horses.

Making his second appearance over grass, Tuscan Flash appeared at home while registering in time of 1:47⅘ under Willie Stagmaier. Backers of the Maryland-bred Tuscany colt realized a return of $10.20. In what was his first victory in a half-dozen starts this season.

Nitime Assumes Command

Innishowen, who was responsible for the pace in last Saturday's 11 furlongs Dixie Handicap, was unable to get the lead today as Jock Weiner's Nitime outsped him in the early stages. Nitime led until displaced by the winner after a half miles .Once in front, Tuscan Flash rapidly moved into a long lead on the final turn, following which he needed only mild encouragement to withstand the late bid of Ram.

The French-bred Coupe de Canon, making his second start in this country, again showed promise while making up ground in the late stages. The trailer in this event was Frank Perry's Kentucky Roman, who was the winner of the '57 Arkansas Derby for Ralph Lowe.

William P. Walters' Sky Bid was a punctual favorite in the 6 furlongs fifth race, prevailing by a head over William Ewing's First Audit in 1:15⅕ over the slow strip. Ridden by Freddie Kratz, Sky Bid was the second winning choice on the card and returned $5.40. Behind First Audit was G. & R. Stable's Texas Serenade.

Gloria J. Stable's Evening Tempo and J. Ferrell Luck's Gunquest took charge in the first two races of the afternoon and created a $49 Daily Double. Evening Tempo, under Tony Russo, paid $17.80 straight, while Gunquest returned $6.80 as the favorite in the second race.

Black Hills Out Of Saturday Race

King Ranch Colt in Distress In Workout; Open View and Maurauder Drill 5 Furlongs

Continued from Page One

chatted with Hirsch (his father-in-law) prior to the trainer's departure for New York, said Hirsch told him Black Hills "collapsed" near the end of his move, which was timed in 1:48⅗. Veterinarians inspected the colt later in the morning, but could not advance any immediate reason for his indisposition.

Hirsch also worked King Ranch's Call the Witness today, this Better Self colt going 6 furlongs in a sprightly 1:14, and apparently right at home over the "off" track. It is understood Hirsch is considering Call the Witness for the Preakness if the strip is muddy or sloppy on Saturday. However, a bright sun and high winds were rapidly drying this ancient course today, and the forecast is for fair weather on the week end.

Scout About for Riders

In other Preakness News:

1. Dunce and Our Dad, both of whom arrived from New York by van yesterday afternoon, are still without riders. Trainer Moody Jolley remains hopeful of getting Howard Grant for Dunce, while the veteran Steve Brooks also remains a possibility. Hirsch Jacobs, trainer of Our Dad, was pondering the situation in New York and indicated he might announce a decision today or tomorrow through his son, John, who is here with the colt and who will tighten the girth this week-end. There is a chance that Sam Boulmetis, deprived of a Preakness mount by Black Hill's defection, may ride either Dunce or Our Dad.

2. The combination of sulfa powder and healing oils has worked wonders on the heels of the English-bred Sundown II., trainer Eddie Cox revealed today. Sundown II. ran down behind in yesterday' work, his heels rubbed raw through bandages. The legs failed to fill last night, however, and cox is reasonably confident Sundown 11. will be ready for the most important test of his career on Saturday.

3. Baltimore druggist Lester G. Robinson, who owns and trains Marauder, said this afternoon he had been unable to obtain the services of jockey Joe Culmone, who was expected to ride the Hannibal colt. Robinson was contacting several boys in New York, and hopes to make a definite announcement in this respect tomorrow.

Weight Would Please Hayes

Fortified by heaping platefuls of Stevens' delicious bacon, eggs and fried potatoes, Preakness trainers and Pimlico officials offered a number of interesting answers to newsmens' questions at the "Alibi Table" this morning.

Asked how he would weight the leading contenders if the Preakness were a handicap, McLennan said he would put highweight of 124 pounds on Sword Dancer, 120 pounds each on Royal Orbit and Manassa Mauler and 118 pounds on First Landing. Casey Hayes, trainer of First Landing, jocularly remarked this would be an ideal arrangement as far as he was concerned. Actually, all Preakness horses carry scale weight of 126 pounds.

In other remarks at breakfast:

Elliot Burch (trainer of Sword Dancer): "Horses have only so many good races in them. Sword Dancer has run two excellent races in a row and I only hope he can run a third in the Preakness." . . . Reggie Cornell (trainer of Royal Orbit): "A race over the track is important and I am glad that Royal Orbit ran here Monday. It should help him on Saturday." . . . John Jacobs (trainer of Our Dad): "His shins were very sore after the Kentucky Derby. We cooled them out with mud and Lewis packs and he wouldn't be running in the Preakness if we didn't think he was right." . . . Casey Hayes (trainer of First Landing): "He won races at Saratoga, Garden State, Churchill Downs and other different tracks. I don't think it makes much difference to him where he runs."

Hope for Crowd of 40,000

Ev Kuykendall (trainer of Festival King): "His dam was no stakes winner but she won at a mile and five-eighths. I'd like to have an "off" track, but in any case, I expect he'll give a better account of himself here than he did in Kentucky." . . . Eddie Cox (trainer of Sundown II.): "He'll wear blinkers for the first time on Saturday, to help him concentrate on his business. I rode Silent Shot here at Pimlico in the 1935 Dixie Handicap." . . . Charley Johnson (director of publicity at Pimlico): "Tam Tam broke from the number 8 post position last year. Prior to that, Preakness winners over the last 10 years all broke from the numbers 1 through 6 positions."

Lou Ponfield (vice-president and executive director of Pimlico): "We hope to have some 40,000 people on hand for the Preakness Saturday. A great many are expected to watch the race from the infield, where we've set up extensive facilities." . . . Fred Colwill (steward): "We hope to be able to show the writers the film patrol pictures of the Preakness Saturday, following the running of the last race. No, the safety helmets are not included in the 126 pounds the Preakness horses will carry."

Prior to breakfast, chatting at the refurbished stakes barn which is popularly known as the "Pimlico Hilton," Elliot Burch refused to be drawn into a controversy on the remarks jockey Bill Boland made to DAILY RACING FORM's Oscar Otis in California Wednesday, regarding the replacement of Boland with Bill Shoemaker on Sword Dancer. Burch did note, however, that several other Preakness horses have changed riders since the Derby.

Speaking of Sword Dancer's work Wednesday — the Sunglow colt went six furlongs in 1:17⅘ over a sloppy track—Burch admitted that he had expected his horse to breeze a little faster than that. The 35-year-old University of Kentucky graduate said however, that he was generally satisfied with the move and that perhaps the colt wasn't entirely enamoured of the slop.

Speaking from his residence near Garden State Park, after returning from Pimlico this morning, trainer Ray Metcalf seemed highly enthused with Open View's work this morning, and obviously feels he has a big chance at all the money this week end. "He's not much of a work horse," Metcalf noted, "but he's coming up to the Preakness good, and with a little bit of luck, we can be right there." Karl Korte was aboard Open View today, as he will be in the Preakness.

Metcalf also said that he would probably bring Atoll down from Garden State to run as an entry with Open View if the Preakness is contested in the mud.

Metcalf, who won't be here tomorrow morning, officially entered Open View in the Preakness today, and said he would phone in the entry of Atoll from Garden State if there was a forecast of rain tomorrow morning.

There is a growing feeling among professional observers here that First Landing may be the horse to beat this week end. The 1958 two-year-old champion presents a happy, healthy, alert appearance and Eddie Arcaro has turned Derby defeat into Preakness victory so many times in the past that it will come as little surprise to Marylanders if his familiar profile is draped with black eyed susans in the winner's circle.

In other news of the Preakness:

Eddie Cox says that Sundown II's tender heels will be protected by foam rubber under his bandages for Saturday's race.

A. B. "Bull" Hancock, owner of Dunce, is expected from Kentucky tonight. Dunce may run in Hancock's name in the Preakness, rather than under the banner of Claiborne Farm.

The Mackle brothers, owners of Open View, are due from Florida tomorrow.

Joe Piarulli was at Garden State today, as his great handicap horse, Vertex, took a turn of the track. Here at Pimlico, Rico Tesio, whom Piarulli also trains, was receiving heat lamp therapy in the region of his left hip.

Moody Jolley expressed delight with Dunce's winning race in New York Monday, indicating the three-length victory was one of the best performances of the Tom Fool colt's career.

Royal Orbit was plated for the Preakness, was out on the track for his customary gallop, and seems in top condition.

First Landing is to blow out tomorrow.

Many of the writers here to cover the Preakness will motor to nearby Sagamore Farm tomorrow morning to inspect Native Dancer, now at stud at Alfred G. Vanderbilt's Maryland showplace.

Peterson Debuts as Trainer

HOLLYWOOD PARK, Inglewood, Calif., May 14.—Mel Peterson, for years one of the West's leading jockeys, made his debut Tuesday as a trainer when he saddled E. H. Baker's Native Indian in the featured Century Purse. Peterson recently quit the saddle after accepting a mount or two at Tanforan. He injured a knee severely in an automobile accident at Santa Anita last winter and this hastened the retirement.

Hillsdale Assigned 124 Pounds for Los Angeles

How Now Gets 120 for $50,000 Handicap at Hollywood Saturday

HOLLYWOOD PARK, Inglewood, Calif., May 14.—C. W. Smith's Hillsdale was assigned top weight of 124 pounds for his seasonal debut here Saturday in one of the nation's richest sprints, the $50,000 added Los Angeles Handicap at 7 furlongs.

Racing secretary John Maluvius pegged the Indiana-bred handicap star, who in his last race at the distance defeated money-winning king, Round Table, in the San Carlos Handicap, four pounds over defending champion How Now.

Sharing third high on the list of imposts is Mrs. John Hertz' Fleet Nasrullah and Fred W. Hooper's Alhambra. Both were given 119 pounds. Fleet Nasrullah was a game winner of the shorter Premiere in 1:09, while Alhambra, making his first start in the West, finished fourth in the opener.

Amerigo, the Florida-owned star who is slated to make his Western debut, was posted at 116 pounds, one above the colorful Silky Sullivan, who won his comeback race opening day in 1:09⅕.

Explanation of Optional Claiming Races

An OPTIONAL CLAIMING race is one restricted to horses running or having previously run for a stated claiming price, and the term OPTIONAL CLAIMING means just what the name implies, the owner having the option of entering his horse for a price (eligible to be claimed) or not entering his horse for a price (not eligible to be claimed). If an owner does not want to enter his horse to be claimed his horse must meet the "optional conditions" set down by the racing secretary in order to be eligible to compete. These conditions appear in the past performances preceding each race. All horses who race in optional claimers, but are not entered to be claimed, must have raced at some time for a specified claiming price to obtain a classification, and they must again race for a claiming price if the owner wishes to reclassify his horse in a lower category. Also, winners of optional claiming races when entered NOT eligible to be claimed, can not be eligible for the same class of race UNLESS entered eligible to be claimed.

Posts 1:12 for 6 Furlongs and Gives Brooks Double in Saddle

Continued from Page One

Bolero failed by over four lengths but still finished two and one-half lengths to the good of R. V. Rasmussen's Pym. Clarence Meaux had the Louisville-owned mare on top of her field for all but the first few strides and made a runaway race of the event as she proved the easiest sort of winner while getting the distance in 1:12⅖. She paid $5.80 to become the first favorite of the afternoon to prove successful.

Steve Brooks edged a notch closer to Clarence Meaux in the race for leading rider honors at the meeting by taking down the opener with a particularly strong ride aboard Bill Veeneman and S. Reynold's Raven Wing. The maiden two-year-old gelding came from just off the early pace to register by nearly four lengths while racing the 5 furlongs distance in 1:02⅖, over a holding "muddy" strip.. place monors fell to Mrs. P. L. Clements' Submersion who was three lengths before Lucas B. Combs' Queening It at the end. The solid choice, Ralph Parachek's Gailstar, was far back throughout and appeared unwilling to extend herself in the going. Raven Wing returned $10.20.

A rank oustider came up with a big stretch run in the second when Mrs. Paul Recker's Louis S. got up in the final stride to head the favorite, Clear Springs Stable's General Fred, by a head at the end of 7 furlongs. Bob Parrott was astride the 34-1 shot who raced the distance in a moderate 1:28⅕, while setting up a Daily Double payoff of $441.60.

May List Hancock Owner Of Dunce for Preakness

PIMLICO, Baltimore, Md., May 14.—Trainer Moody Jolley refused to pay a fee to race Dunce under an assumed name and so the colt will start in Saturday's Preakness with the owner listed as Arthur B. Hancock Jr., instead of Claiborne Farm.

Hancock, who is due in Baltimore Friday, may pay the fee, however. He owns Claiborne Farm. Out of state owners are charged $50 but Maryland residents pay only $10 to register their stable name.

County and Iron Hand paid $1,216 September 23, 1957. The all-time New York high is the $4,313.90 paid by Buddie Bones and Junction City at Belmont on August 27, 1945.

Raul Sterling and Bob Ussery piloted Owendelle and Pepper, who paid $44.60 and $29.40, respectively. Owendelle finished strongly to turn back Gulizar by two and a half lengths, with Royal Eighteen coming from far back to be less than a length farther back. Pepper also finished well to take the second race by a length and a half over Bireme, who saved second money by a nose over Successful.

A crowd of 18,369 turned out in pleasant, though slightly chilly, weather. The main track was sloppy for the early races, but had dried to good by the seventh race.

Arthur "Bull" Hancock's Monarchy, a sister to Round Table, scored her second victory in as many starts when she staved off the closing rush of Natalie R. Lynch's Roving Mary to win the Terminal Purse by a half length. Mrs. H. C. Phipp's Stretch Drive was three lengths farther back after looming up strongly on the inside at the final bend, then proving not to have any stretch drive. Eddie Arcaro piloted the winning daughter of Princequillo—Knight's daughter, by Sir Cosmo, who paid $5.20 after stepping the 5 furlongs in :59.

CHALVEDELE moved boldly on the turn while saving ground and continued on well in the drive to take the show. IMPROVE could not gain in the drive.
